Professional Summary

Ambitious and results-driven marketing professional with a proven track record of creating innovative strategies that drive business growth and enhance brand visibility. As a first-generation college graduate with a BS in Marketing, complemented by a Master's in Information Systems, I excel at leveraging data-driven insights and creative solutions to deliver impactful marketing campaigns. Experienced in leading cross-functional projects, analyzing complex data sets, and driving operational efficiency, with expertise in both corporate and entrepreneurial environments. Passionate about making a meaningful impact through technology, strategy, and community-focused initiatives.
